

Arcade Night Market: Tradition in Mole

A competitive arcade game where **traditional farm fields** meet **night market energy**. Whack moles, dodge bombs, and celebrate cultural roots—one swing at a time.

Game Concept

The Mashup

Blend the chaotic fun of night market arcades with the grounded beauty of farm culture. Moles pop from rice fields and soil patches while players race the clock.

- Single-Player action
- Two-player competitive action
- Time-limited rounds
- Cultural farm field setting

Visual Identity

Brown soil, growing crops, and traditional farming patterns create an authentic backdrop. Every hole tells a story of roots and tradition.

Meet the Moles

Player Moles

Each player has their own mole type to target. Hit yours for **+1 point!**

Bomb Mole
